

NOAH'S ARK

It's the middle of the Great Flood...You have made it to safety aboard Noah's Ark, but a mischievous monkey has locked you inside Noah's workroom, which has sprung a leak! Noah has hidden tools and treasured possessions in this room to keep them safe. Can your team work together to solve the puzzles he has set up, find all the hidden items, and use them to escape the room before it fills with water?
